Landscape Design / Build

## Protecting Your Investment Starts With Understanding Your Warranty Schedule

So Green offers a **One year** warranty on all plant material (As per our plant warranty - labour , dumping old dead plants, travel time and additional soil is estimated extra )  
All Hard scape work is warranty for **Two years** from the date of completion

With the following exceptions:

1. Plant Material: **\*\* (See attached plant list for complete details )**

- High Risk material such as: Austrian Pine, Birch, Japanese Maples, Schubert Cherries, Flowering Dogwoods, Rhododendrons and Azaleas, Roses, Grasses, Perennials, Vines, Herbs, Ground Cover, Sod and Seed, Annual sand Water Plants. The plants listed above will be warranted within the season they are planted.
- Plant material that has not been cared for properly, examples: water deficiency or overabundance, lack of proper cultivation, animal damage or compaction by known or unknown sources.

2. Concrete, Pre-cast Pavers, Flagstone and Mortar

- Hair line cracks in concrete.
- Damage caused by salt or urea products. Use of these products will prematurely deteriorate your job. (We suggest the use of plain sand along with brooms and plastic shovels to control and remove snow and ice.)

3. Water features:

- Water features that have not been opened or closed properly.
- (Instructions are specific to each feature. Manufacturers have care and maintenance instructions specific to their products. We would be happy to instruct you on the procedures or we can provide the service).

4. Wood

- Shrinkage and cracking.
- Paint and stain finishes

5. Natural Stone and Boulders

- Cracking , change in color and fissures

6. Grading

- Settlement caused by sub surface shifting.
