Dear Sir or Madam,

We recently hired Gus Amro of So Green Canada to re-sod our back yard. We were extremely pleased with his service.

Gus and his crew arrived on time, finished the work on time, cleaned up after themselves and the price quoted was the price we paid. Gus gave us tips on how to maintain the grass, and he and his crew were extremely polite and business-like.

Most importantly...**The lawn looks beautiful!**

Yours truly,
